

'Do More' Gift Giveaway

Hypertherm®

powermax1000® G3 SERIES™

April 1st – June 30th 2009

Increase your productivity with a Powermax1000 plasma system for cutting and gouging metal

Buy a Powermax1000 between April 1st and June 30th and choose a free gift when you register your machine!

FineCut® consumables kit.

FineCut consumables deliver high-quality cuts, low dross, narrow kerf, and virtually no heat-affected zone on thin metal. **Retail value: \$95.00**

Gouging consumables kit.

Efficiently remove unwanted welds and material with long-lasting gouging consumables. Gouging kit includes: 3 gouging shields and 6 gouging nozzles. **Retail value: \$99.00**

Safety package.

Multi-purpose face shield that provides face and eye protection for plasma cutting and gouging applications. Pigskin gloves with grain leather palm offer excellent sense of touch, durability and comfort. **Retail value: \$53.00**

Powermax1000 system dust cover.

Made from a durable denier fabric with a polyurethane coating, a dust cover will protect your Powermax investment for years. **Retail value: \$40.00**

Choose Powermax and you'll get renowned productivity, ease of use, versatility, low operating cost and reliability.
