4 in 1 consumable kits

- 1 Shielded consumables**
for everyday cutting, Hypertherm's drag-cutting technology makes it easy to follow a line or template.
- 2 Extended consumables**
are extended for hard-to-reach areas and when extra clearance is needed during beveling.
- 3 Gouging consumables**
for your toughest metal-removal jobs. New and improved to remove more metal with less time and effort.
- 4 FineCut™ consumables**
for best quality cuts on thinner plate. Less dross, a narrower kerf and virtually no heat-affected zone.
