Sensor[™] THC

CAD/CAM Nesting Software

ProNest[®]
ProNest[®] LT
ProNest[®] LTS
Design2Fab[®]
Rotary Tube Pro[™]

CAD/CAM Robotic Software

Robotmaster[®]

Torch and Consumables

Hypertherm sells a number of torch and consumable offerings for plasma, laser, and waterjet cutting systems.

Products for Hypertherm systems are marketed under the Hypertherm brand.

Products for non-Hypertherm systems are sold under the Centricut[®] (plasma and laser) and AccuStream[™] (waterjet) brand names.
